| | | |
| 7. Read the information pertaining to selected school. Scroll all the way down to the bottom and | | |
| select Begin or Continue Application (for selected school). | | |

Please note the following:

- GAfutures is only used for in-state schools
- Some schools like UGA and SCAD do not use GAfutures and require you apply directly via their websites
- You must submit your transcript via GAfutures in addition to your application
