School Year 2023-2024

The ACT (American College Testing) and The College Board (SAT & PSAT) offer fee waivers to reduce the cost of the ACT, SAT, and PSAT exams for students from families who qualify under the criteria listed below. Qualifying students should speak with their school counselor about fee waivers for these examinations.

The College Board also offers a reduced fee exam for students taking the Advanced Placement (AP) exams each May. The criteria for the reduced exam fee are the same as the criteria for testing fee waivers (listed below). Qualifying students who plan to take AP exams should speak with their school's AP Testing Coordinator to ensure they are listed on the schools' records as qualifying for the exam at a reduced fee.

To be eligible, families must meet **at least one** of the requirements below:

- Annual family income falls within the Income Eligibility Guidelines set by the USDA Food and Nutrition Service
- Enrollment in a federal, state, or local program that aids students from low-income families (e.g. Federal TRIO programs such as Upward Bound)
- Family receives public assistance
- Lives in federally subsidized public housing, a foster home or is homeless
- A ward of the state or an orphan
- My household receives TANF or SNAP or other public assistance
- My family lives in federally subsidized public housing
- My family is homeless
- My child is a Foster child
- My child is a ward of the State of Georgia
- Another child in my household receives free or reduced meals

If students have used a SAT test fee waiver prior to the '23-24 school year, additional fee waivers can be found on the student's SAT College Board account.

Sign below and indicate your student's name if any one of the above criteria applies.

Please return this completed form to the McEachern High School Counseling Office (Business Technology - BT Building).

Eligible students can receive a maximum of (2) SAT and (4) ACT waivers. Waivers may be obtained during a student's 11th and 12th grade year.
